

### REMARKS

Applicants appreciate the continued examination evidenced by the final Official Action mailed August 10, 2005 (hereinafter the final Official Action). Applicants also appreciate the Examiner's courtesy in an interview on August 19, 2005, wherein Applicants representative and the Examiner discussed the status of Claims 1 – 8. In particular, the Examiner and Applicants' representative agreed that the only rejections in the final Official Action against Claims 1 – 8 are under § 112 and, if amended to overcome the § 112 rejections, Claims 1, 3 – 5, and 7 – 8 would be allowable.

In response, Applicants have amended the present application as follows:

1. Independent Claim 1 has been amended to correct a typographical error so that the recitation of "inner wall" has been changed to "inner side wall". Accordingly, the rejections of Claims 1, 3 – 5, and 7 – 8 under § 112 have been obviated by amendment thereby placing these claims in condition for allowance.

2. Claim 8 has been amended to change the dependency thereof from Claim 2 to Claim 1 as suggested by the Examiner. *Final Official Action, page 2.*

3. Claim 22 has been amended to include the recitations of Claim 24 and allowable Claim 25, thereby placing Claims 22, 23, and 26 (which depend from Claim 22) in condition for allowance.

4. Claims 9-21, 24, 25 and 27-30 have been canceled herein.

In view of the above amendments, Applicants respectfully submit that the application is now in condition for allowance, which is respectfully requested in due course. If any informal matters arise, the Examiner is invited to contact the undersigned by telephone at (919) 854-1400.

Respectfully submitted,
